INFORMATION

Entered as second class matter February 20, 1922, at the Post Office at Boston, Mass., under the act of March 3, 1879. Acceptance for mailing at a special rate of postage provided for in Section 1103. Act of October 3, 1917, authorized May 3, 1922.

Two dollars of the annual dues is applied as subscription to YANKEE DOINGS.

EDITORIAL

The Editorial for February, 1948 of YANKEE DOINGS was a challenge to nine other chapters of the YDVA. The Cleveland Chapter donated the sum of $50.00 to the Association to help out the finances. They also stated that if nine other chapters would donate the same they would give another $50.00

At the National Executive Committee meeting held in Willimantic, Conn., in September, the Bristol Chapter came in with the same proposition and New York promised another fifty, so that is two of the nine. Other chapters have promised to take it up with their members at the next meeting of their chapters. Think it over Lynn, Worcester, Springfield, Pawtucket, Providence, Boston, Fitchburg, Lewiston, Hartford, ,New Haven, and other chapters who have a nest egg put away.

NATIONAL EXECUTIVE COMMITTEE MEETING

The last regular meeting of the National Executive Committee of the YD Veterans Association was held in Room A of the Biltmore Hotel, Providence, R. I., on Sunday, October 17th.

Report of National Treasurer: Balance in bank with all bills paid, $885.98. Receipts from sale of stamps to date, $1063.00. Report accepted.

Committees: Chairman Dennis Brunton reported for the Ways and Means Committee. Suggests we have a drawing of an automobile. Fred Jones explained the one the Convention Committee had the drawing for in 1946 at Worcester.

A MOTION was made, SECONDED and PASSED that the Association hold a drawing for an automobile and other prizes under the Ways and Means Committee, consisting of Dennis Brunton, Fred Jones, Lewis Fulton, John Carter, Ben Bourne, Howard Hunt, Earl Eaves, Guy Watts and Ralph Turgeon.

PRINTING COMMITTEE: Chairman Jones reported that as the results of a meeting held in Worcester he had brought in a proof of a tabloid to replace YANKEE DOINGS for a few months. The tabloid would save about $200.00 a month.

Much discussion was had pro and con. Bushell of New York spoke for the New York Chapter and for World War II members and thought that a tabloid would not be acceptable to the membership.

A MOTION was made, SECONDED and PASSED that a vote of confidence be extended to the Printing Committee and that we continue to print YANKEE DOINGS in the same form at the lowest cost.

MEMORIAL PLAQUE COMMITTEE: A letter was read from Elliot Carter stating that he has made imprints of the original plaque and is getting together the data of World War II for the new plaque. A MOTION was made, SECONDED and PASSED to accept the report as one of progress.

Meeting adjourned at 5.30 p. m. — H. G. WATTS.

NATIONAL SERVICE OFFICE

This office has had certain calls from the World War I members, particularly those in hospitals, but has had none at all recently from those of World War II. The latter must be a pretty husky crowd. Aren't we glad we took them in? They help us here and help us there and don't call for any help in return. We are still looking for more business.

JOSEPH K. SURLS, M.D.,
National Service Officer.

OVERSEAS NOTES

Sgt. 1/c Frank Shaw, who is serving at Headquarters, U. S. Army Group, Greece, reports that he is present Sergeant Major of the Reports and Records Section of the American Mission in Athens, Greece. He also reports that the blue and khaki patch of the YD is seen daily in Athens. And, that he had dinner there with Captain and Mrs. Dunham, formerly of the Service Company, 101st Infantry.

———

Andy Haney, formerly of H Co., 101st Infantry, World War I, has just returned from Berlin, where he has been on a mission for the Federal government.

REPORT ON THE STAMP DRIVE

Three thousand sheets of the YD stamps have been mailed out to members of the association and to date the return has been very good. A total to date of about $1100.00 has been received and with 5000 more to be mailed we are hoping to make up the deficit that loomed at the start of the year.

LETTER FROM YD MEMBER IN BERLIN

Berlin Military Post, APO 742-A, U. S. Army

Dear Guy: I was wondering if you could put a little note in the YANKEE DOINGS of my whereabouts, as I would like to hear from some of my old friends.

At the present time I am detailed to the Transportation Corps in Berlin, and have been assigned the duty of S-3 and Hdqs. Commandant. Our mission is to provide transportation for Berlin and proper maintenance of the vehicles, all in addition to the military training that is required for all military personnel.

We never have a dull moment in Berlin. We get good food and liquor is available for those who want it, also many recreation facilities.

The meeting of the Manchester Chapter of New Hampshire, was called to order by Senior Vice-Commander Ardui Vigneault in the absence of our Commander.

We heard a fine talk by Col. Charles C. Y. Normand, formerly an A.A.F. and now commander of the New Hampshire Squadron of the Air National Guard.

Miss Lillian Pouliopoulos was named Miss YD of 1948 and will reign at the annual YD Ball on Oct. 22, 1948 at the Carousel Ball Room.

STATE MEETING

There have been three meetings viz: Reading, Springfield, and Haverhill, since I last wrote for DOINGS. The Springfield meeting failed to produce a quorum consequently there could not be any business conducted.

At the Reading meeting, a resolution was adopted urging that money be provided to finish the Hospital in the Soldiers' Home in Chelsea and copies sent to the Departments of all the major veteran organizations as well as to all chapters in this department.

At the Springfield meeting there were only four chapters represented. All that developed was a social hour.

At the Haverhill meeting it was reported that the markers were being placed on Route 128 marking it Yankee Division Highway. The committee discharged and a letter of thanks was voted and sent to Lt. Gov. Arthur W. Coolidge for his assistance in the same.

The Commander attended the testimonial to the National Commander in Salem as well as a 104th party in Boston.

The reason for no news has been the uncertainty of the publication of DOINGS and the cold fact that there has not been much real news.

— Clyde H. Norton.

LADIES' AUXILIARY

The Department of Massachusetts Yankee Division Veterans' Association Auxiliary met in Haverhill on Sunday, Oct. 3rd. Mrs. Katherine Crokan, of Springfield, President, conducted the meeting. Our State Chaplain, Mrs. Ann Pluff, of Haverhill, announced that she would visit the various Veterans' Hospitals in the state at least twice during the coming year.

What happened to Boston and Northampton—let's not be among the missing again. Help us to make this a bigger and better YDVA Auxiliary — "Carry On."

Be seeing you in Holyoke, Nov. 7 — 2 P. M.

— Mrs. Katherine Crokan, *President.*
— Ann Valentine, *Secretary.*

BOSTON

Commander: Anthony J. Rock
53 State St., Boston, Mass.
Secretary: H. Guy Watts
200 Huntington Ave., Boston, Mass.

The Capital Chapter of the YDVA is showing signs of coming to life. The lower floor is being put in readiness for a big and successful Fall and Winter season.

Yes sir! At last we will have the use of our Bar and Cocktail Lounge. And it will be one of the best in Boston. Every YD man—large or small—is entitled to crowd his way up to the bar and say, "Here's How! !"

Ed Leahy of the 104th Infantry, World War I, has won for himself a host of friends by his generosity. Without Ed's help, we would still be floundering around looking for some means by which we could open up the bar.

You all know how our Boston Braves battered the brains out of an American League team that thought they could out-hit our heroes. Even Goldie has disappeared.

John Dewire of the 101st Infantry, World War II, one of our active members, is attending Boston College. John has been very loyal in his attention to the lads who are just coming home. Many a mother and father can thank John that their lad was accorded the proper respect by his comrades more fortunate to return alive.

Eddie Ferguson has returned to his winter estate at West Palm Beach, Florida. Eddie sojourns north for the summer and every winter drives back to his Florida home. Be seeing you next year, Eddie.

Al McWade has been promoted to permanent Major in the United States Army. Great going Al. We knew you could make it. Come Home!

Frank (Bear) Bogle is still working on a new YD Chapter in Eastport. That's the place where they raise herring.

Lew (Got Time) Connolly, has been incapacitated with a slight strain of his drinking wrist. Does that stop him?

The younger member of Trackman, Inc., is in and out of Cushing General. His neck is bothering him, but he can still turn it if a skirt goes by.

Ray Bliss is still confined to John Adams Hospital. Ray has been having a real tough time of it. He is making slow progress to good health. He would like very much to hear from all who know him, even lightly. The Boston Club does not seem like the old place since Ray has been laid up. His pal,, Scotty Duncan, visits him every week.

We regret to announce the death of George MacPherson, brother of Doug! Both have been active members of our Boston Chapter. George was engaged in the wool business here and in South America. For details see 'Taps.'

Harry G. Botsford, Jr., son of Life Member Harry G. (Co. A, 101 Eng., W. W. I), is coaching the freshman football team of Boston University this season.

DANVERS

Commander: Earle G. Pauley
111 Sylvan St., Danvers, Mass.

Secretary: Charles W. Davis
21 Holton St., Danvers, Mass.

Danvers Chapter will hold its next meeting at Mrs. Pike's Inn, located in Middleton, Mass., Oct. 20th.

The chapter has reached its goal of fifty members. However, if some of the old-timers would pay up we would be well over sixty.

It is nice to report that Comrade Ferguson has gone back to work with the Veterans' Bureau. He is still far from being real well but manages to make the trip to Boston daily.

The chapter was well represented at the testimonial dinner to our National Commander Turgeon that was held at Salem.

All of you men who have not made returns on the "Keep It Alive Stamps," please make your return as soon as possible.

— C. W. Davis.

NEW BEDFORD

Commander: Ernest G. Parker
15 Priscilla St., New Bedford, Mass.

Secretary: Dester D. DuBois
106 Arnold St., New Bedford, Mass.

The YDers had another fishing trip on Sept. 12th on Captain Smith's boat and it was a beautiful day as far as the weather was concerned and plenty of fish were caught. The group consisted of First Mate Walter Johnson, who made all arrangements for the outing; Capt. Ed Lucus and son, "Woodie" DuBois, Art. Mosher, Francis Darcy, and three guests.

As usual, Walter caught the biggest fish and also caught the most, at least he went home with the most. Everybody got a lot of fish and enjoyed a wonderful day, returning at 5.30 P. M. There is another fishing party planned for Oct. 17th with weather permitting.

During the last four months there has been no reports of any sick comrades. That is good news and we sincerely hope it is so. Comrades when you know of any sick YDers don't delay in notifying the officers.

At a recent funeral of a comrade, who has done much for the YD cause and was always ready when called upon and to the extent of paying out of his own pocket, it was mighty sad to see that he could not have a staff of YD pallbearers to carry him to his last resting place. Why do the comrades neglect such duties? That is one reason why there is a YD to bear in mind the memories of the World War and the asso-

ciation of the men who were willing to give their all, at our country's call to preserve democracy.

The memories of those trying days in the service at the front lines should not be blurred from one's mind and when the YD calls, each and every YDer should make an extra effort to attend or at least make an excuse as to why he cannot attend. The interest of the YD is to help comrades and it is very hard to handle some question when there is but a few to debate or to settle a question. It is even harder to get members to send in news items for YANKEE DOINGS. Each and every member has some story they could send in for publication—news of themselves, their families, sons or daughters, their service connections, their advances and promotions, and the report of some sick comrade, especially comrades in need.

Soon we will have a meeting for nomination of officers and that should be a thought for every member to make up his mind now that he will be at that meeting to help select officers for the coming year and to show his interest and confidence in the YD, and give comrades encouragement to accept such jobs.

This year the Department Commander inaugurated a plan to help finance and keep YANKEE DOINGS out of the red. Referring to the National Commander's item in the September issue, "Without YANKEE DOINGS the YD would fall by the wayside." Such a thing should never happen with a membership of 10,000 or more, but it could. The National Commander wrote and sent an appeal to the membership-at-large to accept the "KEEP IT ALIVE" stamps and send a dollar for same. With such a campaign YANKEE DOINGS is bound to have a good bill of health. Comdr. Ernest Parker urges the membership to heed the National Commander's appeal.

It is planned that the chapter will have a series of Whist Parties this coming winter and do hope the officers will get a little co-operation from the members and their friends for good times could be had at such parties. When Commander Parker calls for a committee for such parties some one will come and accept. Perhaps some member has other ideas, if so, let's have your ideas for any kind of entertainment, especially for meeting nights. Bring your suggestions to the Commander and I am sure he will appreciate them. We have nice quarters to have parties in, also a club house, but help is needed; one cannot do it all alone.

SALEM CHAPTER

Commander: Maxime Perry
20 Perry St., Salem, Mass.

Secretary: Ernest J. Pelletier
22 Mt. Vernon St., Peabody, Mass.

The big news from Salem this month is the reception and banquet to our National Comdr. Ralph Turgeon held in Salem YD Club, Saturday evening, Sept. 25.

Our State Commander Meffing was there to represent the Dept. of Mass.

Ralph was presented a brief case and a sword made from the beak of a swordfish by the Gloucester boys.

Our Commander of Salem, Maxime (Machine Gun) Perry, is on the way to California, over the road. We hope he don't take the wrong road and land in Camp Cotton, in El Paso, Texas.

Our Blitz with Lynn is still going on with our Spark Plug, PC Ernie Pelletier, Arthur Lebell, and W. W. II Walter Coan, on the committee.

Chief Long Looks Gus Madore, is taking over as Commander while Perry is gone, and not doing badly. But he came in late for the meeting. He had been listening to the World Series game with P.C. Nap Leblanc.

— Donald Duck Thibault.

SPRINGFIELD

Commander William Fisher
64 Wilbraham Rd., Springfield, Mass.

Secretary: Thomas E. Moriarty
69 Malden St., Springfield, Mass.

Our change in By-Laws have gone through and will be posted so that all may read them. Under the By-Laws our new year will start on Jan. 1st, of each year.

Because of this the elections will be held in December. Nominations start at the first meeting in November. So don't forget to come down and nominate the man you want for any particular job.

Plans call for the completion of the addition by the end of October. So we hope to be able to hold our Armistice Day celebration in the new section of the club. The date will be Nov. 6th. Bob Nash is in charge of arrangements so get in touch with him for tickets.

Senior Vice-Commander Hackett is back home after being confined to the Cushing General Hospital for about three weeks. He looks very healthy.

Tom McElhone is home after suffering a heart attack. Tom will have to be quiet for awhile.

Ed Witowski and Emmett Callahan were in Cushing Hospital at the same time as Luther. They are both home at this time. Frank Veteramo is recovering from a broken toe.

— Thomas E. Moriarty.

WORCESTER

Commander: Henry Contois
17 Knox St., Worcester, Mass.

Secretary: Kenneth Erickson
1 Wall St. Terrace, Worcester, Mass.

First I would like to say to each and every one of you that this is your magazine and that you can help make it interesting and up to date. If you have any information that would be of interest to the YD or to any one of the members and you would like to have it appear in YANKEE DOINGS, just mail me a card and I'll see that it is in the next month's issue. You know that I could fill the pages up with a lot of useless talk, but it would hold no interest to any one and I think that that is one of the faults of the YD. We are losing members because of it and the sooner the members realize it the better it will be for all of us.

Comrade Joe Moylan's daughter Phyllis was married Sept. 25. The reception was held at the club and Joe says there are only nine more to go. The Emmett Guards (Co. G, 101st Inf.) held their 29th Annual Field Day, Sept. 26th at the Shrewsbury Rifle Range. There was a good showing of about 500 former members of the G Co., 101st and B Co., 181st present. It was run under the leadership of Col. Francis Savage and Captain Deignan. May we wish Major Norman Tisdall the best of everything in his recall by the Army. Capt. Charles Green (a former YD boy), visited old cronies at the club the other night. He is now stationed at Fort Devens. Our sincere condolences and sympathies are tendered to Ragnor Olson, Thomas Fraser and Eugene Gilliam who each recently lost a brother.

— Kenneth E. Erickson.

BRIDGEPORT

Commander: Francis E. McCarthy
259 Merriam St., Bridgeport, Conn.

Secretary: Samuel B. Zolo
1928 Seaview Ave., Bridgeport, Conn.

Commander Marone of Norwalk requested the Dept. of Connecticut to hold their January meeting the second Sunday in January in Norwalk. It was so voted. Commander Marone also announced the Norwalk Chapter was holding a dinner dance Armistice Night, Nov. 11th (not Armistice Eve). Tickets $3.00 a plate—full particulars later.

Now—the secretary is off again! Why can't Chapter Commanders or Secretaries send in names of YD comrades sick at home or in hospitals? Those of you who have attended State meetings have been asked at different times to sign convalescent cards, these to be sent to our sick comrades. I have requested several times at the meetings and in my minutes to have the names of those sick sent to me immediately, as I keep a stock of these signed cards on hand at all times. This has not been done, I am sorry to say. At the State meetings different names have been announced as having been at home sick or in the hospital, but are around again. P.N.C. Ben Bourne, I hear, has been sick a long time. I was not notified. Commander McIntyre of Norwalk has been dead a couple of months. I just found this out October 10th at Bridgeport. While it hasn't been voted on, I am starting a new system which was talked over Sunday. I am sending each Chapter Secretary three (3) addressed post cards. All he has to do is write sick comrade's name and address (whether home or in hospital) and drop it in the mail box. Let's get behind this, so if any comrade is sick he will get a card showing him he is not forgotten.

The secretary was instructed to send a letter of thanks to the Raymond Harris No. 145, Veterans of Foreign Wars, for the use of their hall for our meeting on October 10th.

The Ladies' Auxiliary served a very fine supper, but

the attendance was small, due, I guess, to the World Series.

November meeting will be announced later—I hope.

— H. Leroy Woodcock.

BRISTOL
MONT SEC CHAPTER

Commander: Joseph B. Peters
P. O. Box #242, Plainville, Conn.

Secretary: Will N. Salladin
153 Goodwin St., Bristol, Conn.

We held the last meeting at the YD Camp. A committee was appointed to gather in the last few stragglers so that our membership would reach the 100 mark.

We also voted to hold a dinner and dance in conjunction with our Thursday night, Nov. 11th meeting at the Elks Home. This party is for all Mont Sec. Chapter men and their wives and friends.

Mayor and Mrs. James Casey, Chief of Police and Mrs. Edmund Crowley will be our special guests. The dinner will be roast turkey and all the usual fixings.

Keep this very important date in mind all of you members of our chapter.

— Bill Salladin.

HARTFORD

Commander: Harold W. Ellingwood
17 Folley St., Windsor, Conn.

Secretary: Carroll B. Case
23 Harvard St., Hartford, Conn.

Hartford Chapter members enjoyed the joint meeting with Meriden and New Britain chapters held at Meriden early in October. It was well attended and there was lots of YD spirit.

Howard Titus is heading the committee on membership and we promise the National Commander results before January first.

It was good to have PNC Ed Miller back at the meeting.

NEW BRITAIN

Commander: James Post
86 Maple St., New Britain, Conn.

Secretary: James W. Greene
17 Uncas Rd., New Britain, Conn.

The chapter resumed its regular meetings Sept. 10th and decided to continue to meet on the second and fourth Fridays at the State Armory.

Commander Post expects to have a great year and has promised that our membership will be over the 100 mark. With a little help from the members that promise will be kept.

Brainerd Brown and Matthew Kokoszka are patients at Newington Hospital. Fred Clock is a patient in the Royal Victoria Hospital, Montreal, Canada. Fred was the victim of a hit and run driver on one of the busy streets of Montreal.

All YD men are rooting for these members to get well in a hurry.

Fifteen members of the chapter went to Meriden, Oct. 7th for a get-together planned by the Meriden Chapter. Schmidt, Glossup, Malley, Pechout, Scarlett, Ryan H. Ventres, O. Ventres, Mazda, Rapponatti, Suess, Selander, Post, O'Keefe, and Greene. New Britain is planning on a similar time in the near future.

O'Keefe is Frank who served with the Machine Gun Co., 102nd Inf., and joined our chapter while in New Britain. He has been away for 29 years and is now living at 2306 Wallace avenue, Rockford, Ill.

The chapter is giving a Television set away on Dec. 15th. The holder of the lucky ticket will have the set completely installed by Christmas with a guarantee of service for one year.

George Farnsworth of the Hartford Chapter was in Meriden and wants to hear from John Flis. Al Rossing, also from Hartford, was looking for Al Schade and Herb Brann. How about getting around to our meetings fellows. Don't let the YD down. Our slogan is "Keep It Alive."

— Jim Greene.

NORWALK

Commander: Hugh Marron
19 Harbor Ave., Norwalk, Conn.

Secretary: Albert W. Herman
3 Alden Ave., E. Norwalk, Conn.

Under the leadership of our new commander, Hugh Marron, Norwalk Chapter, YDVA, is going places and doing things. During the past few months our meetings have been well attended. Barney Clarke, the old war horse, is back in harness and so is Hugh Foster. It sure is nice to see two oldtimers back.

Believe it or not—Last month we obligated a new member. Plans are in the works for a great Armistice party to be held at the dugout. Henry Moore of the YD Chapter will do his stuff behind the bar, and the ladies of the Norwalk Chapter will provide the good things to eat.

Norwalk Chapter had a good turnout at the Connecticut State Meeting in Bridgeport.

Past National Comdr. Al Herman took a long trip

into the Maine woods accompanied by Henry and Anne Moore of New York City a few weeks ago to attend the annual dinner of the Lewiston-Auburn Chapter, and believe you me fellows, there is a gang of boys that are 100% YD. It was a swell party, and I'm darn glad I went. And to top it all off I met my good friend, Past National Comdr. John Dunlap. It was a real one-day YD convention. Thanks to Henry Moore for the invitation.

In my travel through the New England states I saw many towns where with a little YD salesmanship many chapters could be organized. How about it state commanders? Your National Commander is a real live wire. He has a real program which already pays off. Let us all get back of him this year and try and build our organization just a little bigger than it was last year. I'm sure he will appreciate everything we do for him.

It was my pleasure to attend the National Executive Committee meeting in Willimantic. And it really looked like one of our State Meetings—about 30 present with a lot of ideas.

As the oldest chapter in Connecticut we will try to do our part in keeping YD out in front in Norwalk.

— Al. Herman.

DEPARTMENT OF RHODE ISLAND

Dep't. Commander: Albert J. Shabbott, 118 Bagley St., Central Falls, R. I.
Dep't. Secretary: Howard W. Hunt, 25 Greene St, Pawtucket, R. I.

STATE MEETING

The Department of Rhode Island, YDVA, held its first meeting under the direction of Commander Shabbott in conjunction with Kent County Chapter, YDVA, in Crompton, R. I., on Saturday evening, Oct. 9th. About thirty members were in attendance. Despite the small turnout the meeting sparkled with activity and enthusiasm. Plans were completed for the annual Memorial Service, Sunday, Nov. 7th. The service, this year, will be sponsored by Apremont Chapter, YDVA, and will be held in St. Mary's Church, Pawtucket, R. I., at the 11 o'clock mass. It is hoped that all three chapters in the department will be well represented with their families and friends. These clergymen go to great pains to set aside portions of their capacity, prepare appropriate sermons, etc., therefore it is our duty to support their efforts on behalf of our departed comrades.

The Department has had prepared a set of Constitution and By-Laws. Better late than never fellows. A committee was appointed by Commander Shabbott consisting of five Past Department Commanders: Bergin, Bourget, Hunt, Kelly and Olson, to go over them and bring back their recommendations at the January meeting.

Congratulations to Apremont Chapter, YDVA, upon securing permanent quarters. Their new meeting place is in the old Church Hill School Building at Park Place and Church street, in Pawtucket.

The Department treasury will be happily bolstered, at least for this year, by an assessment of ten cents per capita on members paid up and of record in the three chapters. We hope to make it an annual assessment to help defray the expenses of running the department.

The next Department meeting will be held in conjunction with Apremont Chapter, YDVA, Jan. 17, 1949. Come on out fellows and support Commander Shabbott.

— Howard W. Hunt.

PROVIDENCE

Commander: Wilfred M. Bresette
84 Lexington Ave., Providence, R. I.

Secretary: Howard W. Hunt
25 Greene St., Pawtucket, R. I.

Chapter meets Ist Wednesday of each month at the Harrison St. Armory.

Hey gang! Providence Chapter, YDVA, has started off its fall activities with a bang. At the last meeting, Oct. 6th, we had a fairly good turnout. Always room

for more though, so how about coming out. Commander Bresette is full of ideas and plans to carry out during his term of office.

The possibility of getting a home of our own has cropped up again. Several of the members are fanning the breeze about it and before long it should burst out into a real effort to see what can be done about a home. We sure could use one, even at this late date.

Two of our members are sick in hospitals at this writing. Dr. Edwin K. Devine is in U. S. Veterans Hospital, West Roxbury, Mass., and Ed Hird is in Jane Brown Hospital, Providence, R. I. Ed Hird is expected to be released shortly to recuperate at home. Our best wishes fellows. Keep your chin up.

At the next meeting, Nov. 3rd, we should have a final report from the Convention Corporation Committee. It promises to be a good one too.

Report has it that one of our new members, comrade Frank P. Cannao, World War II, is going to be caught, hook, line and sinker the latter part of October. Married to you rubes. Good luck Frank from all of us.

Plans are in the making for our National Commander, Ralph A. Turgeon to make his official visitation to Providence Chapter in the near future. Commander Turgeon is one of the best National Commanders the association has ever had. He is energetic, fired with zeal and a determination to put the outfit back on a sound, solid footing, and with his able leadership we should go places. Watch for the date when he is to visit Providence; make your plans now to be on hand. Let's have a big turnout to show our appreciation. He sure deserves it.

Providence Chapter, YDVA, has adopted a new, revised set of Constitution and By-Laws. Copies have been prepared and mimeographed by the secretary. Get your copy at the next meeting. Copies can be mailed upon request. They are about as complete as can be and the committee is to be complimented on its work.

We are still looking for your ideas and suggestions as to how we can make our meetings more interesting. If you can't attend these meetings in person, and have some ideas, how about writing a note to the secretary setting forth what you have in mind. They will be read and given earnest consideration.

— Howard W. Hunt.

HAVE YOU PAID YOUR DUES ?

PAWTUCKET
"Apremont Chapter"

Commander: Homer W. Poirier
39 Edgemere Rd., Pawtucket, R. I.

Secretary: John R. Moran
394 Daggett Ave., Pawtucket, R. I.

What the H—— is the matter with the secretary. We don't get any news in the YANKEE DOINGS. I says, says I, come to the meetings and hear the news and I won't have to take time out to write the news. Well here is some news that is really news: Commander Poirier, who has been the chairman of the quarters committee for the past two years, has finally turned up with successful results, and he deserves a lot of credit for the work, and time, he has put into this detail in procuring these quarters. The members who attended the first meeting thought that the chapter did well. So get down to the meetings and lend a hand.

A committee of Poirier, Plant, Bourget, Dearman, Misewicz, Mallon and Moran worked a few nights to get the quarters in condition and we did right well.

The chapter has pledged $50.00 to National Headquarters and will pay the same providing the other nine chapters do the same.

Commander Poirier, Bourget and Department Comdr. Al Shabbott gave a report on the National Executive Committee meeting held in Providence, Oct. 17, and there was quite a discussion pro and con on the report.

After you read this the Department Memorial Services and Armistice Day will be over but there will be more news about the results of these two events. Comrade Charlie Fuller (26 Whipple St.), is laid up at home and is having a tough time of it—drop him a line.

The usual donation was made to the 1948 Community Chest.

The sympathy of the chapter is extended to Comrade Archie Sprinthall in the loss of his father.

Don't forget the meeting nights—the third Monday of the month. Treasurer Walter Misewicz of the Kitty Committee craves more action in the Drawings. Comrade Bill LaClair's name was drawn for the main prize but no Bill, no prize. The following were drawn for the consolation prize, but were conspicuous in their absence. Murray, Read, Will. Campbell, Joseph Laliberte and Ralph Dexter won the prize. Refreshments were served after the meeting as usual.

— John R. Moran.

Middle West: Commander: Edmund D. O'Connell, 7919 South Union Ave., Chicago, Ill.

BALTIMORE

Commander: Nelson A. Wright
1601 Pentwood Road, Baltimore, Md.
Secretary: George P. Harris
3940 Cloverhill Rd., Baltimore, Md.

The Baltimore Chapter is still a going concern even if it has been a long time since we played to a full house.

The first fall meeting was held at Nelson Wright's house and everyone present enjoyed himself with refreshments and Nelson's fine new Video set. George Sisson announced a new son, and Mert Winters has a new daughter. Sounds good for a future "Children of the YD Society". Also present was Willis Hedges, our host for the next meeting; Pete Edmunds, Nelson Wright and yours truly. Where is Wagner these days? Hear he is moving. Al Bell is working nights and Ned Winchester has got himself married and moved to Virginia. Heard from Henry Kudzia who served with Co. E, 328th and sent in his application.

Our second meeting was held on Oct. 14th at the home of Willis Hedges. A small but select group consisting of Wright, Winters, Sisson, Harris, Edmunds, and our host Willis. Very nice evening with refreshments.

Those who are not attending are missing lots of good times by not being present. Our next meeting will be on Nov. 11th and we are invited to a chicken dinner at the home of George Sisson's parents out in the country.

— George P. Harris.

CHICAGO

Commander: Richard Y. Mine
3436 W Monroe St., Chicago, Ill.
Secretary: Joe Micone
6743 So. Paulina, Chicago 36, Ill.

The first meeting after the long summer vacation could have been and should have been larger than it was. Well, it's over now and orchids go to Morrissey, Mine, Coburn, O'Connell, Keyworth, Fick, Koening, Kendzior, Nape, Micone, Brennan, Donovan, and Seavers, as well as the women who attended to give us some moral support.

Our Commander Morrissey gave up the gavel at this meeting, Sept. 23, 1948, and expects to retire to Florida by Oct. 1st. Some guys are born lucky. Our Commander for the Department of the Mid-West, Ed. O'Connell, installed Richard Y. Mine, Jr., as our new Commander, Joe Micone as Senior Vice and Ken Seavers as Secretary. The ladies are getting a bit discouraged because of lack of information in forming a ladies auxiliary, and hope that by the time the next meeting rolls around they will have the necessary information. Refreshments were served, but no beer. Cohen's on the wagon.

Gil Nape reported on the Providence convention and (if Cook reads this I didn't miss much) then told about the next convention which is to be held in Boston. He started the ball rolling for Boston so you guys in Boston better put on a good one. When these Mid-West Indians land in Boston they plan on leaving their guns and tomahawks behind.

What kind of a game is this that is being played with the National Treasurer's job. In-again, out-again, in-again and now out-again. Let us hope he has made up his mind for all time. Should I say more?

The treasurer reports that the bank balance is as flat as that of National Headquarters and that unless the members contact the hundreds of men who are eligible, the prospects are not rosy.

Glad to hear that Elmo Clutterham is recuperating from a serious eye operation, also that Henry Coburn is up and around again after a long seige. I understand that the stork prevented a couple of the boys from attending the last meeting, so congratulations and don't forget the cigars at the next meeting.

Ed. O'Connell is looking forward to visiting the various chapters in the Mid-West so you fellows from Cleveland, Detroit, Milwaukee, and other points in the mid-west let him know.

— Ken Seavers.

DENVER

"Rocky Mountain Chapter"
Commander: Arthur G. Vetter
Ayres Hotel, Denver 3, Colo.
Secretary: Randell E. Ericson
832 Poplar St., Denver, Colo.

At our October meeting we had the pleasure of signing up Harry Goedelman. Harry was a member of the old YD and spent some time as a prisoner of war in Germany. Homer G. Preston was with us once more. He is the Democratic candidate for the office of Attorney General of Colorado. He served with Co.

'H', 102nd Inf. in World War I and served in World War II as a Captain and Major in the Chemical Warfare Service. Good luck Homer. Out for the first time was Sergeant Łask, now stationed at the Fitzsimmons Hospital. Major Hull, one of our new members—Murray, 101st (F.S.B.) and Chapin (Btry. F, 101st, F.A.), were also with us.

Ericson and Ellis, both of Co. K, 101st Inf., went out hunting recently and each came back with a deer.

Vetter, (C Btry., 101st F.A.) made a trip to the west slope and while there he visited Dick King, Hdqs. Co., 102nd Infantry. Dick is going to round up a bunch of stray YDers at Grand Junction and bring them over to our next meeting. Pinnt (Co. B, 102nd Inf.), formerly orderly to General Edwards, also lives at Grand Junction. Vetter tried to locate him but failed.

— Vetter.

DETROIT

Commander: L. L. Horvath

Secretary: P. I. Werner
7638 12th St., Detroit, Mich.

The Detroit Chapter held its first Fall meeting at the Veterans Building, on Sept. 24th. Comrade Mathews was elevated to the chair of Senior Vice-Commander and Chet Stepnakowski is the new Junior Vice-Commander.

Chaplin Ed Orlowski gave a full report on the reburial of Chester Skutnik, formerly of C Co., 101st Inf., killed at Moyenvic, France. Comrades Orlowski and Stepnakowski were pall-bearers. Our chapter sent a beautiful floral remembrance.

— Palmer Werner.

LOS ANGELES
(Southern California Chapter)

Commander: Fred M. Montgomery
6114 Mesa Ave., Los Angeles, Cal.

Secretary: George K. Mitchell
824 Cresthaven Dr., Los Angeles, Cal.

The October meeting of the Los Angeles Chapter was held at the "Ranch" of Past Comdr. Archie J. Bradley in Sierra Madre, and from all reports it was a most enjoyable one with host Bradley and wife Myrtle going all-out to provide a good time and superb refreshments for the 18 members who stayed to a late hour.

Vice-Comdr. Bill Libby, who, incidentally, is manager of the Arcadia Chamber of Commerce where Archie is assistant manager, proposed the home meeting at the September session, and while Bradley looked on in astonishment it was so voted. Bowing to the "railroad", Archie then proceeded to plan the party with the pleasant results before mentioned.

Cards have been received from Sgt.-at-Arms Steve Skelskey, who is at Bristol, Conn., where his father is seriously ill. Members of this chapter are with Steve and his family in thought during these anxious days.

Treasurer George Cannon and wife Mildred have just returned from a vacation in Connecticut, where they had a nice visit with relatives and friends in New Haven, the old home town.

NEW YORK
"Knickerbocker Chapter"

Commander: Dr. Joseph K. Surls
130 East End Avenue, New York 28, N. Y.

Treasurer: C. Alfred Kjelleren
20 Edwards Street, Baldwin, New York

Meets every second Thursday of the month at the Mural Room, 69th Reg't. Armory, 68 Lexington Avenue, New York.

The first monthly meeting since June was held on Thursday evening, Sept. 9th.

P.C. Andy Lemon, chairman of the Membership Committee, has started a drive, the goal being a chapter membership of more than 300 active members.

New York Chapter is pleased to have one of our former stalwarts, Ralph Turgeon, as National Commander.

Jack Farquahar is kept busy with N. Y. Chapter welfare work.

Atherton Griswold, who served with the Supply Company, 103rd Infantry (W. W. I), died this past summer after a long illness. Atherton was a long time loyal and supporting member of the New York Chapter.

Mrs. Surls, mother of our Commander, passed on to her reward last month. Mrs. Surls was interested in YD affairs. She was present at our Installation Dinner last February when her son, Joe, became Commander of New York Chapter.

This chapter is interested right now in two things —membership and the drawings for the annual Christmas basket, the latter of which provides the means whereby we prosper. Since our late member, National Commander Turgeon showed us how it is done, we have gotten very good results. But we'll be glad to take on the drawings for the car as well—so send the books along.

Regarding membership, we are going to feature one of the old outfits at every meeting. For instance, the

November meeting will be "104th Infantry Night." (Former members of the 104th take notice.) Chapter Secretary Clark suggested the idea and we think it would be a membership booster for all chapters. Our membership drive, by the way, is moving steadily ahead. — Robert J. Daly.

OHIO

Commander: Harold Nelson
12700 Shaker Blvd., Cleveland, Ohio

Secretary: Francis V. Baldo
1781 Delmont Ave., East Cleveland 12, Ohio

The Annual Picnic was held at the West Cleveland Veterans Home on July 18. What with the watermelons, beer, games (mostly for the kiddies), a good time was had by all. Next year the talk is for a clambake.

Everyone is now looking forward to the Ladies Auxiliary Party which celebrates their fourth anniversary as a necessary adjunct to the Ohio Chapter. In connection with this party, a get-together has been planned for the Mid-West Department. Dept. Comdr. Ed. O'Connell will be there with representatives from Milwaukee, Chicago and Detroit. Naturally, we hope that National Comdr. Ralph Turgeon, will see his way clear to join our little gathering. We hope to have a complete report for you by the next issue.

You can add the names of Fred Flahaven and Fred Boutwell to the growing list of Door Prize Winners. This makes a total of $300 given in awards of $50 each. Come on men! All you have to do is attend the regular meetings held on the first Sunday of each month—3:00 p. m., at 7630 Broadway.

— Francis V. Baldo.

PHILADELPHIA

Commander Chas. P. Ross
4055 Lancaster Ave., Phila. 40, Pa.

Secretary: William P. Brown
2816 N. "D" St., Phila., Penna.

The new meeting night (first Friday of the month), proved to be very successful. We had a wonderful turnout. About 35 present. Duke Corrigan was named Chaplain. Chance tickets for 'Stop the Clock' were passed out to all present and to those who were not, the secretary, Bill Brown, will mail them to you with instructions. Please get behind the affair as we can make a tidy sum from these sales.

Please try and attend the meetings. We don't expect you to make them all, but it would be very nice to see you once in a while. Our Annual Dinner will be held sometime in November so make your reservations early. Time and Place will be announced later. Congratulations to Mr. and Mrs. George Linthicum, who are now honeymooning. Claude Gauntt, W. W. I., is back in Naval Hospital again; expects to be out in three weeks.

There will be more refreshments at the next meeting. The big turnout last time caught us napping.

— L. W.

Ex-doughboys of "Charlie Company" met at Jerry Leone's house in Weston on September 18th, and organized the C. Co., 101st Infantry Associates.

We held a dance after the meeting plus refreshments. The twenty-six former C Company men who were present agreed that it was a good idea to organize and to go out and drag in the rest of the old men of the company and really have a good time.

Jerry Leone was elected President, Tom Flanagan, Treasurer and Penny Hoar, Secretary. Daniel Hoar can be reached at 1148 Beacon Street, Newton Highlands, Mass.

— Dan Hoar.

"E CO. ECHOES"

Here we are again! Hope you've all had fine vacations and are starting off the fall season full of "wim and wigor."

A card from Maurice Corkery post-marked Los Angeles, Calif. reporting he was having a wonderful time. . . . Others making the lucky move for the gilt-edge souvenir offered in last "Echoes" were Bill Plummer, Doddy Bent, Charlie Watson, Herbie Weeks, John Pendexter, Ray Briden, H. O. Jackson, Bill Moody. If any of 'em failed of delivery, let me know. Here's another name to add to those above—Jack Currier—who got his souvenir when he dropped in to see me. . . .

Doddy Bent received his pen via U.S. Post Office and later reported that he spent the summer as Director of Camp Poplar at Middletown, Conn. . . . Bill Mattson and wife were at the Republican Convention in Philadelphia and found it very interesting in spite of the heat. . . . Joe Brodil's address is now 3650 Larchwood Place, Riverside, California. . . . Okie O'Connor's new office and showroom is at 52 Chauncy St., Boston, Room 903 . . . a near neighbor of Walter Ripley who is at No. 38 on the same street. . . . Lewel Mfg. Co. is Okie's outfit. . . . We just heard the other day that Julie Daniels, of "D" Co. whom many of you may know, has been having a tough time which put him in Cushing for a long while. . . . Charlie Bateman was reported to be suffering from an attack of pleurisy back in June but I'm glad to say he must be better as he was at the September Convention of the Savings Bank Assn. of Massachusetts.

Now we come to some very sad news. Had a call on the telephone at my home on the night of August 17th from a gentleman we understood to say was calling at the request of Danny Gorton. . . . His message was that George Hamel had passed away on Saturday, August 14th, and was to be buried the next morning. . . . Then, while we were at the Cape over a week-end, we noticed in the papers the death of Arbie Thomann, with the information that his funeral would take place the Monday following—August 30th. . . . By fast work and co-operation of several others we were able to get flowers delivered and to contact as many as possible by 'phone with the result that the following were able to attend the funeral: Charlie Hurter, Maurice Corkery, Okie O'Connor, Fred Campbell, Herbie Thurston, Walter Ripley, John Rooney, Harold Brownson and Ralph Eastman.

FLICKERS FROM THE 104TH

Two Company K buddies have shown up in the news, S/Sgt. Dick Gildersleeve and Big John McCarthy also of K. Dick has been selling Bonds and other Securities in New York City with Freeman and Co. Big John was married on Sept. 20th. Frank Murphy, the "Black Irishman" also of K was at his wedding. That must have been something.

On Sunday, September 26th, the Executive Committee of the 104th Veterans Association held their meeting at National Headquarters with forty or more present. A formal invitation was extended to the Association by the Boston unit to hold the next annual Reunion in Boston next April. The invitation was accepted and the Boston Unit will start immediately on plans for the Reunion.

Thomas Mackey, Sr. V. C., is calling the meeting of the Boston Unit with the help of Frank Spooner, Top Regan, Mal Morrison, Guy Watts and Ed Fraser.
